**\*\*BOARD NOMINEE PROPOSED FOR 2023\*\***

**Sean T. Martin**

Sean Martin is a seasoned healthcare executive and healthcare professional who currently holds the position of Vice President, Quality, Pharmacy, Lab, Diagnostic Imaging, Mental Health & Addictions, Spiritual Care and Volunteer Services at the Peterborough Regional Health Centre (PRHC). Prior to working at PRHC, he held several healthcare positions at the Hospital for Sick Kids.

Sean brings a wealth of knowledge with 20 years of continuous quality improvement and patient/client experience, governance, strategic planning, equity, diversity and inclusion experience, and enjoys building community partnerships. Sean has also written and collaborated on many healthcare-related publications and presentations.

Sean credits his career path and dedication to helping others to his work at Camp Woodeden from 1993 to 2000, as a Leader in Training, Respite Camp Counsellor, Teen Independence Camp Lead and finally as a Camp Counsellor. After three decades, he remains connected to many of the campers and counsellors and understands the impact and importance of supporting Easter Seals Ontario clients and families.

Sean would consider the opportunity to serve on the Board of Directors for Easter Seals Ontario a privilege and an opportunity to give back to an organization that has given him so much.
