About the Canadian Computer Charity Golf Classic

The Canadian Computer Charity Golf Classic is a premier golfing tournament that brings the computer industry together to help raise funds for two worthy causes. Now in its 39th year, this tournament continues to sell out while hosting over 300 golfers representing close to 100 leading organizations from Canada's technology sector.

The Canadian Computer Charity Golf Classic not only supports two great causes but also offers its sponsors a unique marketing and networking opportunity. On Thursday, September 5, 2024, participants will enjoy playing a round of golf at one of Canada's most celebrated courses, Lionhead Golf Club and Conference Centre. Designed and groomed to excite every level of golfer, Lionhead offers its guests one of Ontario's finest golfing experiences on two championship courses.

For the past 39 years, the Canadian Computer Charity Golf Classic has raised in excess of \$6.4 million for Easter Seals Ontario and Princess Margaret Hospital Foundation.

About Easter Seals Ontario

Easter Seals Ontario

Easter Seals Ontario is a charitable organization dedicated to improving the lives of children and youth with long-term physical disabilities. Our goal is to break down barriers and provide the support and resources these individuals need to reach their full potential and achieve their dreams. We believe that every child, regardless of their abilities, should have the chance to overcome obstacles and make their mark on the world. With our programs and services, we aim to create a more inclusive and accessible society where kids with physical disabilities are valued, respected, and given the opportunities they need to succeed.

Core Programs

- Funding for Mobility and Accessibility Equipment
- Fully accessible Camping and Recreation
- Post-Secondary Scholarships
- Youth Ambassador Program
- Advocacy and Awareness
- Information Resources for Families

Who We Serve

The children and youth Easter Seals Ontario serve have lifelong physical disabilities. Some of these conditions include cerebral palsy (CP), spina bifida, muscular dystrophy (MD), spinal muscular atrophy (SMA), Rett syndrome, and spinal cord injuries.

While Easter Seals children require different types of support, they all share the human desire to carve their place in the world. They're ambitious, independent, and resourceful. We just give them the tools to be themselves.

Through the support of our donors and sponsors, we help to provide the pivotal support that empowers children and youth with disabilities to reach their full potential and lead the best life that they can. Together, we can help kids be kids and set them up with the equipment, confidence, and self-expression to grow into enriched adults.
